

Why should you drink **at least 2 liters of water a day?**

Protects
from kidney
diseases.

It prevents
digestive
problems.

It facilitates
blood circulation.

It beautifies
the skin.

It accelerates
metabolism.

It strengthens
immunity.

It
pays off.

BLOOM STAINLESS STEEL BOTTLE

The background features a teal gradient with stylized white and blue wavy patterns at the bottom. In the top right corner, there's a large, light blue graphic of a water droplet or wave. The Stolt logo, consisting of a circular arrangement of colored segments (red, orange, yellow, green, blue) surrounding the word "STOLT", is positioned above the word "BLOOM".
